EXCELLENCE IN MURRAH GENETICS

**Authentic Source For Superior Quality Frozen Semen
From High Genetic Merit Bulls In India**

ABC Mutually Aided Co-operative Society Ltd

Reg No : AMC/KNA/DCO/2016/111

ABC SEMEN BANK - VEERAVALLI

Introduction:

ABC Mutually Aided Cooperative Society Ltd was established at veeravalli, in krishna district of andhra pradesh in 2016 by progressive dairy farmers. It was conceived for Undertaking the development of bovines, particularly High Genetic Merit Murrah buffalos in India with special focus in the area of breeding and genetic improvement. The ABC Semen station produces superior Quality frozen semen from high pedigree bulls through efficient quality control management systems and providing unique services and technology at the doorstep of farmers for improving their prosperity by increasing the productivity of Bovines.

Salient features of frozen semen of ABC semen Bank Veeravalli

- * Disease free Semen produced from High Genetic Merit Bulls.
- * Semen processed in Aseptic Environment.
- * Semen packed in mini straws (0.25ml) imported from France .
- * Ultrasonically sealed and inkjet printed Semen Straws.
- * Minimum 20 million sperms per straw is Ensured .
- * Each batch passed through strict quality control tests.
- * More than 50% post thaw motility is Ensured.
